The first part of the paper is devoted to a discussion of the
theoretical aspects of the problem. It is shown that the
problem is equivalent to a problem in the theory of
differential equations. The second part of the paper is
devoted to a discussion of the experimental results. It is
shown that the experimental results are in good agreement
with the theoretical predictions. The third part of the
paper is devoted to a discussion of the conclusions. It is
concluded that the problem is solved.
